

Our mission is to advance and promote the hunter and jumper disciplines of equestrian sport by supporting the programs of the United States Hunter Jumper Association, Inc. (USHJA) and other activities which are consistent with the mission of USHJA.

The USHJA Foundation is a non-profit organization which provides support to programs of the USHJA, Foundation, grants and the industry as a whole. The Foundation is launching numerous new initiatives, including the Horsemen's Assistance Program; that will benefit horses, individuals and organizations in need.
